We've come a long way, baby, in 42 years! For those wannabee Sons of Norway members in 1973 and 1974 who spent weeks and months paging through local phone books to recruit individuals with Scandinavian-sounding names for the required membership, thank you for your perseverance in establishing our Gateway to Florida Lodge. We became official April 6, 1974, at the old Thunderbird Motel when a group of zone and district representatives welcomed the lodge into Sons of Norway. Over the years, we have built a strong and varied lodge history and reputation.

So, join the anniversary festivities at the lovely San Jose Country Club, 7529 San Jose Boulevard, Sunday, April 17 from 1 – 4 p.m. You will enjoy a premier buffet with a wide range of tantalizing entrees, side dishes and scrumptious desserts. Complimentary parking is available for this afternoon of fabulous food, fellowship and friendship, live musical entertainment by Lou and May Britt Corbin. We hope to see you and memories. We will have raffle baskets with great gift items.

The cash bar opens at 12:45 p.m. and dinner is being served at 1:45 p.m. The price for this event is \$30. Reservations are due no later than Thursday, April 14 for you to enjoy your Sons of Norway family and friends. Guests are always welcome. A children's menu is available for those age 12 and under and features chicken tenders, French fries and fruit cup for \$10.

**PRESIDENT'S MESSAGE**  
**BESKJED FRA PRESIDENTEN**

Greeting Fellow Members and Friends,

What a fun time we had at our Lapskaus stew dinner. The food was delicious! Thank you so much to everyone who made the Lapskaus, stew, chili, corn bread and rutabaga casserole. We are so lucky to have so many fantastic cooks. Thank you for all of our servers and helpers that make our meetings go so smoothly. The

meal was truly fit for a starving Viking.

The Book Club had their first meeting that night, too. Cheryl Drabek will tell you more about the next meeting and the next book.

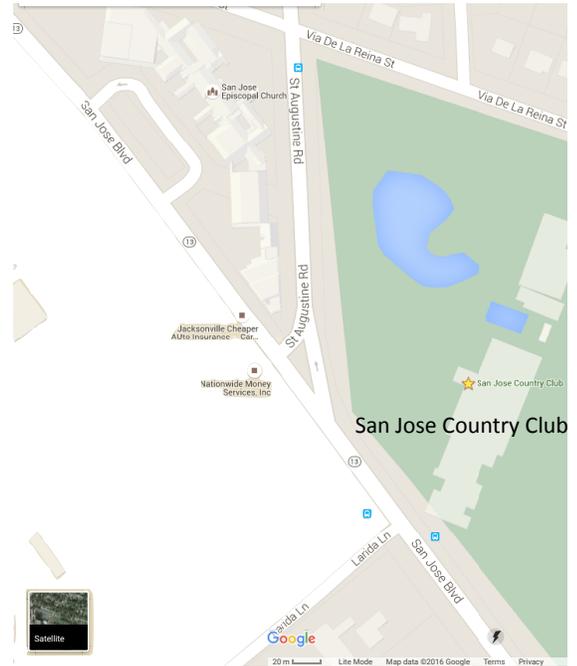

In the month of April we have a few exciting events that I hope you can attend. Sunday, April 17 we are celebrating the 42<sup>nd</sup> annual lodge anniversary at the San Jose Country Club at 1 p.m. See meeting information on page one of the newsletter. Thank you Kristen and Andy Allen for helping us set this up. Kent Larson will be taking RSVPs. Please make your reservations early, so we can have an accurate count. Lou and May Britt Corbin will be providing the live music. We hope to see you there.

The opening of the Beaches Parade is 2 p.m. Sunday, April 24. We will have our boat Hagar there and with Hagar and Helga in costume along with other participants. Eugene Yerkes will tell us more about the parade at the lodge anniversary dinner. Sunday, May 22 we will have the 17<sup>th</sup> of May picnic at SOTW Lakeshore off Greenland Road. We will have the boats for rowing, we will play games, and have lots of fun and as always excellent "picnic" food. This is a great day to bring the kids and the grandchildren.

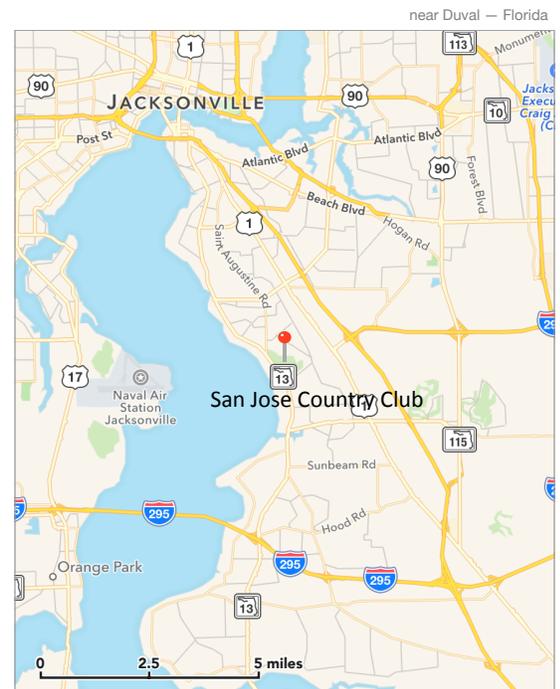

I welcome your suggestions on ways to make our lodge meetings and events fun while we learn and share our heritage.

Fraternally Yours,

Evelyn Hopkins, President

## WINSLOW'S TRAVELOG

The following travelog is from lodge members Roger and Margaret Winslow. If you had a vacation or experience traveling you would like to share please write about it and submit it to the newsletter editor at [egverkes@bellsouth.net](mailto:egverkes@bellsouth.net).

We returned from a 28 day trip to the Czech Republic and Germany. We saw so much in the old East Germany that was denied to most during the Cold War period. It was refreshing and adventurous to see Martin Luther's area coupled with the massive planning for the 500 year celebration.

Our trip was again highlighted by traveling by train to Hamburg to see the Wunderland of model trains again with new displays since our last visit.

We witnessed the plight of the refugees throughout our travels and wondered if the German way of life will ever return. A sad sight for sure.

Based on our desire to travel we have elected to spend most of the Spring Norwegian holidays including Constitution Day, May 17th, touring the Western coastal area with the Hurtigruten ship, Kong Harald.

A quick trip from Jacksonville to Helsinki and a shorter air trip to Kirkenes, Norway to board the ship cruising above the Arctic circle in the Arctic Ocean and Norwegian Sea ending in Bergen. The planned stops are Hammerfest, Tromso, Rorvik, Trondheim and Molde. We have made train reservations from Bergen to Oslo and further down the Eastern coast to see family in the Telemark community of Helle and Kragero.

This will be our first trip to Finland and we are looking forward to it as we travel North to Ivalo, Finland.

Wishing all lodge members the best for the May 17 celebration.

Roger og Margaret Winslow

## TWEED FINISHES GATE RIVER RUN

By Franklin Morrison III

As she felt the cool breeze on her face as a respite from the heat, Rita Tweed knew she would finish her tenth Gate River Run in Jacksonville, FL.

Starting in the early morning, Rita and 16,000 of her running buddies began running on the streets

of Jacksonville in the most prestigious race in the city. This race included Mayor Curry who became the first sitting mayor to finish the Gate River Run. There were runners from all over the nation.

Running in the humidity makes it tough to run and the Green Monster, aka the Hart Bridge, is a steep incline that must be conquered; however nearly all of the participants finished. The runners had support from the community with bands playing music at each mile and numerous people cheered along the route. Despite the hot weather, Rita had fun and really enjoyed the race.

### S.O.N. LODGE BOWLING PARTY

S.O.N. Lodge Bowling Party left to right: Beverly Teigland, George Teigland, Betty Rae Pierce, Tammy Mayer, Eugene Yerkes, Rita Tweed, Franklin Morrison, Ida Iverson, Po Chu Svendsen, Phil Pierce, Stewart Svendsen.

Eugene Yerkes won Men's High Score and Beverly Teigland won Women's High Score.

George Teigland, Tammy Mayer, Phil Pierce, Franklin Morrison III won trophies for Team High Score.

### GATEWAY TO FLORIDA LODGE BOWLING PARTY Eugene Yerkes, Sports Director

Strike! This was the word we liked to hear during the SON Bowling Party that was held on Sunday, March 20. It was heard many times but never enough. We had enough bowlers for 3 teams so the competition was stiff. The trophies presented were:

Women's High Score: Beverly Teigland  
 Men's High Score: Eugene Yerkes  
 Team High Score: Tammy Mayer, Franklin Morrison, Phil Pierce, George Teigland.  
 Most Improved Bowler: Rita Tweed

Each team bowled three game and most bowlers improved their score each game. Fun was had by all. I think the biggest smile was on Po Chu's face when she made a strike and came up with a higher score than her husband Stewart.

## SUNSHINE NEWS

Condolences to Cheryl Drabek on the passing of her father on April 1.

Please let Anna Rita or Cheryl know of any milestone birthdays or anniversaries so our lodge can send out a card. Also if you know of a member having health issues, let us know so we might try to cheer them up a little.

### OUR LODGE IN JACKSONVILLE BEACHES PARADE

Join our Viking boat Hagar and lodge members and friends in the Jacksonville Beach parade on Sunday, April 24 at 2:00 p.m.

Arrive early (noon) so you will be able to find a parking space and have time to dress in your Viking costume (tunics, etc.) which we will provide or wear your bunad. You may wear your

own costume. Vikings will be giving the enthusiastic parade observers beaded necklaces which is a crowd pleaser.

Make plans to be involved by either riding in the car towing Hagar or riding in Hagar or walking in our unit. This parade is a good opportunity to showcase Sons of Norway-Gateway to Florida Lodge and it's also a lot of fun!

There will be other numerous floats, marching bands, etc. If you have questions call Sports Director Eugene Yerkes at 904-268-9924.

### Norwegian Prime Minister Erna Solberg to Attend U.S- Nordic Leaders Summit at the White House

Last updated: 3/18/2016 //

Prime Minister Erna Solberg has been invited to attend a U.S.-Nordic Leaders summit, to be hosted by President Obama at the White House May 13, 2016. The summit will be an arena for discussing issues regarding transatlantic security, migration, climate changes, the Arctic, trade, global health and education.

The summit will be followed by a state dinner hosted by the President and first lady Michelle Obama.

"I am looking forward to meeting President Obama alongside my Nordic colleagues at the White House. The meeting will emphasize the strong bond between Norway and the U.S and between the U.S and the Nordic countries. Peace, democracy and human rights are fundamental values that all the Nordic countries share with the United States," said Prime Minister Solberg

Norway and the U.S. collaborate in many areas, including FN and NATO. The Norwegian state pension fund invests in more than 2,000 American companies, and there are more than 5 million Norwegian Americans living in the U.S. Our shared history is fundamental to our tight cooperation.

"Norway has worked on strengthening the relationship between the Nordic countries for many years. The meeting with President Obama will be an opportunity to further the Nordic collaboration with the U.S, which is of mutual interest to both parts," said Prime Minister Solberg. ### DISTRICT 3 PRESIDENT'S MESSAGE Fra Presidenten, Mary B. Andersen, April 2016

*Don't watch the clock; do what it does. Keep going. Sam Levenson*

#### April is 3D Charitable Trust Month

The Sons of Norway and the Third District have been going strong for over 100 years. Recently, I received a copy of a booklet commemorating the 10<sup>th</sup> anniversary of the Third District! It is written in Norwegian. (The advertisements are in English and looking at the old telephone numbers brought back a lot of memories.) The booklet will be displayed at the June 2016 Convention and will eventually be copied and placed on our website.

I shared the booklet with the 3D Board at our March board meeting and asked Zone 4 Director Kari Williams to take a look at it and provide her impressions. Kari mentioned that generosity jumped out at her in the lodge descriptions. Many lodges described providing sick pay, funeral benefits and just a little to help people get over a rough spot. The amount of aid provided was amazing considering it was 1923! This helping hand became the basis for our Charitable Trust.

The Spring 1971 Sons of Norway Bulletin reported that a motion made at the 1936 District Convention to start an old age fund became a reality in 1938. Over time, the old age fund became known as the Benevolent Fund. Eventually the Benevolent Fund was formalized in 1971 as the Charitable Trust. For almost 80 years, the Charitable Trust has provided modest financial support to District 3 members to aid physical, social and psychological well-being.

The June 2016 3D Convention marks the 80<sup>th</sup> anniversary of the formation of the Benevolent Fund! Wow, isn't that amazing! Sadly, reduced donations and market volatility has taken a toll on our Charitable Trust. You will hear more about the Trustees actions at the June Convention.

Like the clock, can we keep the Charitable Trust going for our fraternal brothers and sisters?

Jeg ønsker dere alt godt.  
Mary

There are lots of ideas for the 2016 cultural program, if you have any requests, please let me know!

### BOOK CORNER

During our March meeting a small group gathered to review Jo Nesbo's *The Bat*. It's the first book in his Harry Hole series. The series was recommended by the group and it was observed that going from Norwegian to English did make for some differences.

Our next book for review is *Kristin Lavransdatter 1, The Bridal Wreath* by Sigrid Undset. It's one of the great 20th century historical novels. The acknowledged masterpiece of the Nobel Prize-winning novelist Sigrid Undset, *Kristin Lavransdatter* has never been out of print in this country since its first publication in 1927. Its story of a woman's life in fourteenth-century Norway has kept its hold on generations of readers, and the heroine, Kristin-beautiful, strong-willed, and passionate-stands with the world's great literary figures. Volume 1 describes young Kristin's stormy romance with the dashing Erlend Nikulausson, a young man perhaps overly fond of women, of whom her father strongly disapproves.

We will review this book at our lodge picnic on May 22. We will have our discussion at the start of the picnic during social time. The group decided reviewing a book once a quarter gave everyone time to obtain the book and read it. Hope to have more members join it! Please come with recommendations for our next book.

#### ALL IN THE FAMILY

This continuing series will “snapshot” our members, their respective heritage and how they became involved in Sons of Norway.

#### SONS OF NORWAY JOURNEY Marci and Kent Larson

“What, pray tell, is Sons of Norway?” Marci Larson, 3D International Director and Gateway to Florida lodge member, asked her brother Kent in 1968 when she learned her Norwegian grandmother had joined her, Kent and their father Herman to Odin Lodge in Rugby, North Dakota.

“I don’t know. I think they meet to eat and sing songs,” Kent, a high school junior, replied. For Marci, who was completing her education at the University of North Dakota, Sons of Norway was NOT on her radar screen. She was leaving the North Dakota prairie, where her Scandinavian roots run very deep, to pursue her dream of

globetrotting as an electronic news reporter. Kent was soon headed to North Dakota State University to continue his education. Weekend visits home provided an occasional appearance at a SON meeting to join his grandmother Helen and father, who were very active members.

Growing up Marci and Kent enjoyed all the trappings of both their Norwegian and Swedish heritage. Their paternal grandmother Helen lived and breathed Norway. From her farm house kitchen came the most wonderful Norwegian baking and cooking. Her reputation for a hearty meal, coffee and Norwegian goodies were well known in the rural farming area. Some days she ran a restaurant except customers never paid. In fact, former U.S. Representative/ U.S. Senator Mark Andrews would stop at her farm not only for her vote, but for a piece of the “meanest” lefse on the planet. She loved Sons of Norway until her last day when she passed away at age 94.

The years sped by for Marci and Kent as they focused on family and careers: Marci working in communications, marketing and public affairs for a freight railroad in Washington, D. C. and Amtrak, and Kent in mortgage banking who stayed in North Dakota living in and around Grand Forks, a university town of 40,000 in the Red River Valley in eastern North Dakota.

Their immigration odyssey began in the Red River Valley where Marci and Kent’s maternal great grandmother Cecilia Benson and their grandfather John, then age 14, arrived from southern Sweden to homestead in 1886. Soon thereafter, another son and daughter joined them and before long many relatives were in the same area. About 30 or 40 miles away, the Norwegian ancestors arrived about the same time also to homestead the rich farm land. Their Norwegian grandmother Helen moved to central North Dakota at age 19 where she lived until age 92.

In 1999 Kent and Herman moved to Jacksonville where Marci had relocated with Amtrak. Early on, Herman said, “We have to find a Sons of Norway lodge,” so Kent made inquiries and the threesome attended a meeting soon

thereafter. Sure enough the meeting was focused on food and singing, so Marci said she was not interested and would attend only special functions. Kent and Herman attended and before long they were headed to a weekend Regatta where they met lodge members from around the state and had a fabulous time. Since Kent loves to cook and is very handy in the kitchen, he became the social director preparing the meals for the lodge meetings. Many months later after a board meeting, he announced that both he and Marci were needed as treasurer and financial secretary. So thus began the modern day Sons of Norway journey.

Marci served as financial secretary (now membership secretary), vice president, president and counselor while continuing with communications. In 2008 she and Kent attended their first District Convention in Virginia Beach, having absolutely no idea what to expect, where Marci was elected district secretary and our lodge was named “2007 Best Large Lodge.” She was elected alternate international director in 2012 because “no one else was interested,” and unexpectedly became International Director representing District 3 when Ralph Peterson was elected as Int. Vice President. “I really had no idea what to expect when I attended my first international board meeting, but it has been a tremendous learning opportunity,” Marci said. International Directors serve one four-year term which ends for Marci at the Int. Convention in August. She is deciding if she will run for an executive position on the International Board.

“A truly unique experience was co-chairing the 2014 International Convention held in Jacksonville, only the second time in Florida in 125 years of SON history,” she said. “While it was very involved, we had a great planning committee,” she said. “It was a truly fun week,” she added.

Kent continued as treasurer eight years, was vice president, president five years and is now counselor. He has served as a lodge delegate to four district conventions where he has been a member and chair of the Finance Committee and also was an international delegate to the 2010 Int. Convention. He was Marci’s main “go for” during the 2014 International Convention. Because of Kent’s contagious enthusiasm about his Scandinavian heritage and Sons of Norway, he has won varied membership competitions in the Order and was recognized at a Membership Thank you Reception at the 2010 Int. Convention. Under his leadership our lodge has been recognized numerous times for our membership achievements at both the district and international levels.

Kent and Marci both agree that Sons of Norway is a one-of-a-kind organization that has generated fantastic memories, friendships and experiences over the years.
