**FRIDAY, SEPTEMBER 13**  
**FREDAG TRETTEEN SEPTEMBER**

Welcome back from our summer hiatus. Many of our members have been traveling the past few months, so several will be sharing their personal travel tales with us. You will get a glimpse of trips around the world. Exactly where is a surprise so please join us for a fun and informative evening, Friday, Sept. 13 at 6:30 p.m. at Shepherd Of The Woods Fellowship Hall.

Social Directors Karen and Laura, and their able helpers Kent Larson and Marty Iverson, will be preparing a splendid dinner that includes a lettuce and tomato salad and a cucumber salad, roasted chicken, mashed potatoes, gravy, dressing, vegetables, apple sauce and of course wonderful desserts like lemon bars and brownies. Assorted cheeses, herring and dips with crackers will start the dinner. As always we will have assorted beverages.

And remember to bring your spending bucks for the outstanding raffle.

Donation for this lovely evening is \$15.

Please RVSP to Kent at [kmlmal@bellsouth.net](mailto:kmlmal@bellsouth.net) or 614-7111 by Thursday noon, Sept. 12. First course is a lettuce and tomato salad and a cucumber salad. The main course is rotisserie chicken, gravy, dressing, mashed potatoes and apple sauce. This meal concludes with lemon bars and brownies. The meal includes assorted beverages.

Meet at Shepherd of the Woods Lutheran Church, 7860 Southside Boulevard, located on the parallel service road between JT Butler and Old Baymeadows Road. For entry use the service road off Baymeadows on Southside Boulevard or by the Skinner Parkway traffic light. A large white cross is near the entrance driveway. Park and enter behind the building.

## PRESIDENT'S MESSAGE BESKJED FRA PRESIDENTEN

Velkommen members and friends,

I start this message with a heavy heart. We have lost two lodge members: Ann Pederson, 77, and Nellie Larson, 86. Ann was a member since 2012. Nellie was new to Gateway to Florida lodge but a long time member of SON (61 years.) We will miss them both at our gatherings and send our condolences to the families.

As I write this message, Florida is bracing for hurricane Dorian, so thoughts and prayers are with everyone for a safe ride through it. Compared to other natural disasters, we have advance warning to prepare ourselves.

I hope everyone has enjoyed the summer. We welcome you back with our upcoming Sept. 13 dinner meeting. We've readjusted some of the lodge activities between September and year end so if you have a schedule from earlier in the year, please make note of the changes.

As a reminder, our lodge changes leadership every two years so Bill Large is chairing the Nominating Committee to create a slate of board members and officers to be both elected and appointed in November and then assume their positions in January. Helping on the committee are Evelyn Hopkins and Tammy Mayer. If one of these folks approaches you to serve, please consider how you can help. The usual phrase, "I'm too busy" does not apply because we are all busy with life. You, of course, can *offer* your services as well. We've been fortunate over the years to fill our numerous positions so I anticipate that our members will be willing to assist.

While we have been working on the District 3 Convention planning all this year, we are increasing our activities to implement a memorable event June 5-8, 2020 at the DoubleTree Hilton on the St. Johns River. Some of you were involved in our team work for the 2014 International Convention so planning and implementing the District Convention is very similar. D3 President Kathy Dollymore joined us in May for our lodge anniversary and toured the hotel; she was very favorably impressed. So, the next nine months will be busy. Cheryl Drabek is coordinating the convention volunteers so let her know where you plan to help. Cheryl's contact info is [ceejay611@yahoo.com](mailto:ceejay611@yahoo.com) or 860-3173.

2020 is Sons of Norway's 125<sup>th</sup> anniversary. I am forming a committee to oversee our 125<sup>th</sup> activities to commemorate the anniversary. I have two volunteers but would like another two or three to create ideas and help implement a year-long plan. We also have to plan the anniversary celebration for the district convention. If you are interested in being part of this planning please reach out to Lodge Secretary Marci Larson @ [mlarson@northfloridatpo.com](mailto:mlarson@northfloridatpo.com) or 307-2888. The District has adopted the Alzheimer's Assn. as the charity for this anniversary with a goal of reaching \$125,000. Therefore, please keep this on your radar screen.

Look forward to seeing you Sept. 13.

Tusen Takk,  
Marty Iverson,  
Lodge President

### The Thundering Herd

Marty Iverson & Eugene Yerkes  
Photo by Marci Larson

They were a small but very mighty force! The competition was fierce as six erstwhile and enthusiastic members converged in Mandarin July 21 for the annual lodge bowl-a-thon. The balls were thrown with focused eyes and Viking spirit, sometimes achieving strikes, splits, pins standing and an occasional gutter. The two teams cheered each other on during an afternoon of laughs, giggles and undeniable fun. The hearty bowlers included Marty and Pastor Ida Iverson; Marci Larson; Eugene Yerkes; and Ellen and Michael Wallwork. Top scores were Marty and Eugene! For the faint-of-heart members who leave bowling to others, we'll be tapping your shoulder next year. And, in case you wonder, no, the teams are NOT Olympic bound.

## FRA PRESIDENT 3 DISTRICT

**Happy September! God Høst!  
Autumn begins September 23**

The summer has gone by so quickly, I hope everyone had a wonderful “straw-hat, flip-flops, read a good book, relax-if-you-want season” Autumn marks the transition from summer to winter, in September when the duration of daylight becomes noticeably shorter and the temperature cools considerably. One

of its main features in temperate climates is the shedding of leaves from deciduous trees. Another feature of Fall is the return to the local Sons of Norway Lodge meetings for those who have been on hiatus for the summer. There were members of our 3D lodges who did a bit of traveling this summer and members who have had home exploits. The lodges hope to hear about their adventures.

The Third District is comprised of members of lodges who have continued to provide great meetings and activities. As everyone is welcome, let’s start off the new round of meetings by bringing an acquaintance and show

them what we have to offer in fraternalism, culture, and friendship.

We’ll be thinking of the 2020 convention in Jacksonville, the Alzheimer’s Goal, elections, programs and Jultrefests, and the always popular retention and recruitment goals. Lot’s going on this time of the year! Reach out and help your local lodge and get involved. Benjamin Franklin said “Tell me and I forget, teach me and I remember but Involve me and I learn.”

We all share a connection and are here to support each other, if there are issues within your lodge there may be keys that other lodges have discovered and can share. There are a number of reasons why we are the “Tremendous Third” and the care and backing of each other is one of them. Thanks again everyone for all you do.

Our District Board will be meeting in October. If there are any topics you feel need to be brought to our attention, don’t hesitate to contact your leaders.

Fraternally,  
Kathy Dollymore  
3D President

## ORANGE PARK KENNEL CLUB SEPT. 21

Welcome back, Gateway Steppers!

I hope everyone enjoyed their Summer. Due to the excessive heat, we are planning an indoor event to watch greyhounds run around the track at **The Orange Park Kennel Club on September 21**. We will plan to meet before the racing in the air conditioned Clubhouse at 11:30 am where there is a small entrance fee of \$1 and lunch is available on your own. If you have never taken a chance at betting on the dogs, there will be a short coaching session prior to the first race at 12:45 p.m. If you have no interest in gambling, please join us for lunch and cheering those who want to take a chance on the race. It will be fun! Please check out the web site at <http://www.bestbetjax.com/> for lunch menus and directions. Email Tammy Mayer at [tmayer10@att.net](mailto:tmayer10@att.net) if you have any questions.

## SCANDINAVIAN SIMPLE EATING

The recipe for Norwegian Sun Buns is provided by Anette Larsson, creator of <https://scandinaviansimpleeating.com>.

Anette lives in Jacksonville with her husband Martin and daughter Filippa. Originally from Sweden, she and her family are enjoying the opportunity to discover Florida's culture and food. She has lived in Sweden, Norway, Denmark, Switzerland, Canada, Germany and now the U.S. More on Scandinavian cuisine can be found on Anette's blog Scandinavian Simple Eating.

## NORWEGIAN SUN BUNS (SOLBOLLER)

Buns (or "boller") is something Norwegians' are crazy about. They also like to eat their buns with raisins or chocolate pieces.

Ingredients (16 buns):

- 0.2 lb butter, 1.5 cup whole milk
- 6 cups all purpose flour
- 1 pack yeast (approximately 2.5tsp)
- 1/2 tsp baking powder, 1/2 ground cardamom
- 1/2 tsp salt, 6 tbs sugar

Filling: 1/2 **Vanilla custard** (or you can buy ready Vanilla custard)

Topping: 1 egg, 1 cup powder sugar, 1 egg white

- 1 tsp water (if needed), coconut flakes

Start with melting butter on low heat in a saucepan.

Add the milk into the butter and put to the side.

Mix 2/3 of the flour with yeast, baking powder, cardamom, salt and sugar in a blender bowl. Mix on low effect. Add the butter and milk mixture into the dry ingredients. Make sure it's all mixed together. Then add the rest of the flour and let it continue to blend on low effect. Let the dough rest for 30 minutes until double size.

Cut the dough in to 16 pieces (all the same size) and formed them into balls. Place them on an oven tray covered with parchment paper and let them rest for another 15 minutes.

Heat the oven to 450°F. Make an opening on the top of each bun, to make space for the filling. Make sure to not let the opening get through the bun. Add vanilla custard in each bun's opening. Do not overfill. Brush the buns with the whisked egg (except where the vanilla custard is) and place them in the middle of the oven for approximately 12-15 minutes (until they have a golden color). Let them cool down on a grid.

Prepare the topping. Mix the sugar powder with the egg white. If it gets too thick, add some cold water. Stir until you have a smooth texture. Use a teaspoon and place the topping around the bun (not on the vanilla custard). Finish with sprinkling some coconut flakes on the topping.

Smaklig måltid!

Book Review by Karen Madrigal

### AND THEN CAME THE LIBERATORS

by Albert Jærn

Beginning on April 9, 1940 and continuing through May 7, 1945, Norway was occupied by Nazi Germany. Albert Jærn, an illustrator for a Norwegian publisher kept a record of the many everyday acts of war perpetrated on Norwegians. He used wood and old linoleum for his woodcuts to document life during this dark time. Originally, these woodcuts and accompanying text were meant to communicate with family and friends in the US and Sweden. He hid his renderings in a secret compartment inside of a cabinet. Amazingly, these woodcuts survived repeated Nazi raids. If the Nazi's had discovered his treasure, he would surely have died and his testimony would not have survived. After Norway won its freedom on April 8, 1940, he made excerpts available on Constitution Day, May 17 to 200 subscribers. Later the entire collection was published in Norwegian. The text was eventually translated into English. The Title of this book is a sarcasm of what Norwegians were told when the Nazis invaded. Germany claimed to be there to protect the Norwegians from England. They saw themselves as liberators. The author's simple text is strengthened through the illustrations which are on every page.

I learned something about what regular Norwegian folk experienced during the dark times of the occupation when private homes were searched and the owners interrogated. Cars could be confiscated and the world became an upside down place where children went to school in banks and sacrilegious pastors took over the church. Norway's Aftenposten was controlled by the Nazis. Public expressions were forbidden.

I recommend this book for anyone who has an interest in Norway during the occupation. I found it to be simple, honest and completely readable and paired with the artistic expression of the woodcuts, we have a great history of these 5 years when the freedom of the World was held in the balance.

It is available on Amazon and has been published with the financial support of NORLA, (Norwegian Literature Abroad)

### WANT TO BE A VIKING BOATS BOOSTER?

#### Here's what you do!

In order to help defray maintenance and storage costs for our two replica Viking boats, the lodge has started a booster program similar to our newsletter booster program. It's very simple with three levels of annual giving: Admiral - \$100, Captain - \$50, and Seaman - \$25

Hagar and Tapper Viking have been a lodge "center piece" for many years. They have enhanced our visibility for Sons of Norway in North Florida as we participate in varied light parades, the annual Opening of the Beaches parade, zone regattas, festivals and farmers markets.

There are many expenses related to the maintenance, insurance, registration and storage of the Viking boats and trailers. Your generosity is greatly appreciated to help offset the costs. Your name will be listed in the newsletter as a Viking Boats Booster.

Sports Director Eugene Yerkes can answer questions and accept your donation either in cash or check made payable to Gateway to Florida SON Lodge. Mail to 1742 Lord Byron Lane, Jacksonville, FL, 32223. Eugene can be reached at [eugene.yerkes@att.net](mailto:eugene.yerkes@att.net) or 904-268-9924.

### CELEBRATING 45 YEARS OF SUCCESS

When lodge charter member Evelyn Hopkins, along with family members, started searching telephone books over 45 years ago for people with Scandinavian sounding names to start a Sons of Norway Lodge, little did she know that her initial work would prevail for over several decades. Of course over the years people have come and gone, but the lodge has always been blessed with steadfast members, leaders and a long list of accomplishments that have kept the lodge robust and vibrant.

So the 45th lodge anniversary May 4 was a celebration of longevity and fellowship and a continuing interest in Norwegian/Scandic culture and heritage. Members and friends enjoyed a luncheon near the pool at the Doubletree Hilton, site of the 2020 District 3 Convention our lodge will host.

Special guests included Fraternal Director Linda Pederson, who has since left SON; D3 President Kathy Dollymore; and Harriet McHenry, president of the Gulf Coast Vikings in Estero. Members were recognized for their membership years at 5, 10, 15, 20, 25, 35, and 60 years. New Golden members received their pins: Judy Silvey, Kent Larson, and Ida Iverson (must be age 65 and 30 years membership). Several members received 45 and 50 year pins and Nellie Larson, received her 60-year pin. Nellie has since passed away.

A complete list of lodge members who earned membership pins is listed on page 5 of the June, July, August 2019 newsletter.
